Warranty and Liability Limitations

All analyses reported by Biogenetic Services, Inc. are based on a representative sample provided by our customers. Therefore, the results provided are representative only of the sample analyzed at a particular point in time. Biogenetic Services, Inc. makes no warranties, expressed or implied including warranty of ability to market a commodity or product based on analytical results provided by BGS. Liability for damage for any cause, including breach of contract, breach of warranty and negligence with respect to a test is limited to a refund of the price of testing the sample. This remedy is exclusive and in no event shall BGS or any of its employees be held liable for any incidental or consequential damages including loss of sale or profit by our customers or their clients.

NOTE: Please include the following amount of seeds (grain) for DNA/PCR tests:

	Soybean	Corn	Rice
Qualitative Test and Semi-Quantitative Triple-Test:	1.5 lbs.	2 lbs.	1 lb.
Quantitative Test:	6 lbs.	8 lbs.	2 lbs.

For other species, food, or plant (tissue), please contact us before shipment for specific quantities.
Amounts required will vary depending on the type of test to be done.
