Warranty and Liability Limitations

All analyses reported by Biogenetic Services, Inc. are based on a representative sample provided by our customers. Therefore, the results provided are representative only of the sample analyzed at a particular point in time. Biogenetic Services, Inc. makes no warranties, expressed or implied including warranty of ability to market a commodity or product based on analytical results provided by BGS. Liability for damage for any cause, including breach of contract, breach of warranty and negligence with respect to a test result is limited to a refund of the price of testing the sample. This remedy is exclusive and in no event shall BGS or any of its employees be held liable for any incidental or consequential damages including loss of sale or profits by our customers or their clients.

Sample Shipping Instructions

Fecal Samples:

1. Fresh rectal fecal samples should be collected directly from the animal when possible. Dropped samples must be sampled with care to prevent cross contamination.
2. Samples should be shipped preferably at ambient temperature in a clean 50 ml plastic container with a screw cap.
3. Place the sample(s) into a mailing container (e.g. box) with appropriate packing material, and ship by regular mail or overnight mail (if rapid turnaround is required).
4. Plastic containers can be obtained by calling us at 1-800-423-4163 or sending an Email: biogene@brookings.net request. Please provide your telephone number and mailing address in the Email. Containers will be billed at our cost, including shipping costs.

Credit Card Payment: (Circle type): MasterCard or VISA (you may call or fax in this information)
